PROMOTING SCOTTSDALE TRAVEL & TOURISM

EXPERIENCE
SCOTTSDALE

WHO WE ARE

Founded in 1987, Experience Scottsdale is the sole organization responsible for promoting the city as a premier travel and meetings destination to national and international leisure visitors, meeting planners, travel agents, tour operators, and media.

Experience Scottsdale partners with the City of Scottsdale and Town of Paradise Valley for destination promotion, representing more than 400 tourism-related businesses in the community.

On average, Experience Scottsdale's annual direct economic impact is **\$247 million.**

EXPERIENCE SCOTTSDALE FUNDING

Like any product, travel destinations are brands that require investment to remain relevant, attractive and competitive. Nearly 70 percent of Experience Scottsdale's revenue comes from Scottsdale's bed-tax collections.

50% goes to the City

50% goes to Experience

Experience Scottsdale's remaining revenue comes from neighboring communities, State of Arizona Prop 302 and annual membership dues.

GETTING VISITORS HERE

Scottsdale hosts approximately 9 million domestic visitors each year who provide \$2.4 billion in annual economic impact and support 1 in 10 jobs in the community. Experience Scottsdale ensures these visitors and groups choose the destination so that their dollars benefit the community.

PROMOTING SCOTTSDALE

With advertising campaigns, Experience Scottsdale has mere seconds to capture the attention of potential visitors – before they turn the page or change the channel. To ensure our ads appeal to high-value visitors, Experience Scottsdale conducts extensive research on visitor motivations and perceptions. The result? The *Absolutely Scottsdale* print and TV campaign.

“I’m blown away by the whole *Absolutely Scottsdale* ecosystem. Your team did a phenomenal job! Beautifully designed. Well executed. Superb.

IMPROVING QUALITY OF LIFE

When Experience Scottsdale promotes the destination, local businesses, public services and citizens win.

Experience Scottsdale’s tourism promotions directly generate an average of **\$31.4 million** in annual state and local tax revenue.

THIS REVENUE SUPPORTS ESSENTIAL PUBLIC SERVICES AND IS ENOUGH MONEY TO PAY FOR:

Without these travel-generated revenues, each Scottsdale household would have to pay an average of **\$307** more in state and local taxes every year to maintain the same level of services.

Increased visitors result in increased demand for amenities, which improve the overall quality of life for Scottsdale residents. Visitors and locals alike enjoy upgraded parks and sports stadiums, new dining and nightlife options, arts and culture attractions, and more.

ADVANCING ECONOMIC DEVELOPMENT

Travel is the first step in shaping perceptions, and Experience Scottsdale's destination promotion contributes to a positive overall impression of the area. Consumers who recalled our advertising were not only more likely to visit, but also more likely to view Scottsdale as a good place to live, work, start a business, attend college, purchase a vacation home and retire.

SUPPORTING SMALL BUSINESSES

Experience Scottsdale represents businesses of all sizes, from independent art galleries and restaurants to large-scale resorts and golf courses. By driving incremental visitation and promoting all of Scottsdale's amenities, Experience Scottsdale helps stimulate small business growth.

" The best business decision we made after locating in Scottsdale was becoming a member of Experience Scottsdale. The exposure Experience Scottsdale has brought to Scottsdale, and ultimately our business, has been extraordinary. Quite frankly, we don't know what we would do if we did not have this collaborative partner.

—PEGGY FIANDACA, LDV WINERY TASTING ROOM

" For Arizona Outback Adventures, travel adds opportunity. Without travelers, we would just be a small little business. Because of the travelers that we get to share the desert and the Southwest with, we're able to be this flourishing part of the Scottsdale tourism industry.

—ANNEMARIE KRUSE, ARIZONA OUTBACK ADVENTURES

" Our partnership with Experience Scottsdale is a big part of what makes us so successful, particularly being an independently-managed and locally-owned hotel. They bring us fantastic opportunities for media stays and exposure, in addition to significant group and conference bookings.

—KRISTIN HEGGLI, HOTEL VALLEY HO
