

EXPERIENCE
SCOTTSDALE

THE POWER OF TRAVEL PROMOTION

WHO WE ARE

For over a century, people have traveled great distances to relax and rejuvenate in Scottsdale. Our first industry remains one of its largest today – in jobs, tax revenue, economic impact, and, most notably, in its contribution to quality of life.

Founded in 1987, Experience Scottsdale is the sole organization responsible for enhancing the local community by promoting the Scottsdale area as a luxury destination for meetings, events and leisure travel. As an accredited destination marketing organization, Experience Scottsdale serves both the city of Scottsdale and town of Paradise Valley.

Experience Scottsdale's promotion proves effective at inspiring interest in the Scottsdale area, growing tourism and supporting local businesses.

For every **\$1** spent on advertising,
Experience Scottsdale generates **\$116** in visitor
spending and **\$4** in state and local taxes.

According to Longwoods International, this is one of the best returns on investment it has studied since the pandemic and is more than double the average visitor spending return on investment of destinations similar in size and budget.

WHAT WE DO

Scottsdale hosts **11.2 million visitors** each year who provide a **\$3.5 billion annual economic impact** and put over **27,000 people to work**. Through our destination branding, management and stewardship, Experience Scottsdale ensures these visitors and groups choose the destination now and into the future by:

Generating Media Coverage

Booking Meetings & Events

Educating Travel Professionals

Destination Advertising & Brand Messaging

Providing Tourism Concierge Services

Supporting New Air Service

PROMOTING SCOTTSDALE

With advertising campaigns, Experience Scottsdale has mere seconds to capture the attention of potential visitors. To ensure our ads appeal to high-value visitors, Experience Scottsdale conducts extensive research on visitor motivations and perceptions.

HOW WE'RE FUNDED

Like any product, travel destinations are brands that require investment to remain relevant, attractive and competitive. Nearly 70% of our revenue comes from Scottsdale's bed-tax collections.

Experience Scottsdale's remaining revenue comes from neighboring communities, state of Arizona Prop 302, and annual membership dues.

ADVANCING ECONOMIC DEVELOPMENT

Travel is the first step in shaping perceptions, and Experience Scottsdale contributes to a positive overall impression of the area. Consumers who recalled our advertising were not only more likely to visit, but also more likely to view Scottsdale as a good place to live, work, start a business, attend college, purchase a vacation home and retire.

SUPPORTING SMALL BUSINESS

Experience Scottsdale represents 400 businesses of all sizes, from independent galleries and restaurants to large-scale resorts and golf courses. By driving incremental visitation and promoting all of Scottsdale’s amenities, Experience Scottsdale helps stimulate small business growth.

“ The best business decision we made after locating in Scottsdale was becoming a member of Experience Scottsdale. The exposure Experience Scottsdale has brought to Scottsdale, and ultimately our business, has been extraordinary. Quite frankly, we don’t know what we would do if we did not have this collaborative partner.

–PEGGY FIANDACA, LDV WINERY

“ Our partnership with Experience Scottsdale is a big part of what makes us so successful. They bring us fantastic opportunities for media stays and exposure, in addition to significant group and conference bookings.

– KRISTIN HEGGLI, HOTEL VALLEY HO
