# SCOTTSDALE: A PLACE FOR ALL

Cotton-candy sunsets. Starry desert skies. Towering saguaro cacti. At Experience Scottsdale, we want everyone to witness the wonders of Scottsdale's Sonoran Desert and experience our unique blend of luxury, relaxation and adventure.

That's why in recent years both Experience Scottsdale and the City of Scottsdale have taken intentional steps to ensure everyone feels welcome here.

Scottsdale is, after all, a place for all. The city is home to people of all races, sexual orientations, gender identities, religious beliefs, abilities, ages, backgrounds and experiences. They include our employees, colleagues, neighbors, family members and friends.

Experience Scottsdale is proud to celebrate the diversity of our community members and businesses. Here, you'll support restaurants, bars, shops, spas and art galleries owned and operated by people who identify as women, people of color and LGBTQ+. You'll tour attractions and institutions that celebrate cultures and histories like the Heard Museum, Western Spirit: Scottsdale's Museum of the West, and the Musical Instrument Museum. You'll attend annual events like the Arizona Indian Festival, the Scottsdale Jazz Festival and the Rainbows Festival.

It's important that all people not only feel welcome here, but feel safe as well. In 2021, the Scottsdale City Council passed an anti-discrimination ordinance

championed by the city's Office of Diversity & Inclusion and Human Relations Commission. The ordinance prohibits discrimination in employment, housing, places of public accommodation, and city services, programs and activities.

At Experience Scottsdale, our team has undergone diversity, equity and inclusion training and expanded our partnerships to include the National Blacks in Travel & Tourism Collaborative, One Community and Arizona Hispanic Chamber of Commerce.

Scottsdale is a place for all, and we at Experience Scottsdale hope you'll soon discover all that Scottsdale has to offer.

More information on our efforts in this space can be found at [ExperienceScottsdale.com/Community](https://www.experiencescottsdale.com/Community).

# *Scottsdale's McDowell Sonoran Preserve*

What's that tall cactus with all the arms? That's just one of the questions sparked by the lush landscape of Scottsdale's McDowell Sonoran Preserve. This 30,580-acre sanctuary is home to thousands of species of cacti, plants and animals. Here's a quick guide to some of the desert residents you'll see as you explore the Preserve's 225+ miles of hiking, biking and horseback riding trails.

# flora

---

## GIANT SAGUARO

Saguaros are the largest cacti in the United States and can grow to 50 feet in height.

## PRICKLY PEAR

The bright pink juice from prickly pear fruit is used in drinks, syrups, jellies and candy.

## TEDDY BEAR CHOLLA

This fuzzy cholla's nasty, barbed thorns earned it the nickname "Velcro of the desert."

## OCOTILLO

The whip-like branches of the ocotillo sport fiery red blossoms in the spring-time.

## BARREL CACTUS

Also called the "compass cactus," barrel cacti tend to grow leaning toward the south.

## CREOSOTE

These common evergreen shrubs give off a fresh, unmistakable fragrance following a rain.

## PALO VERDE TREE

Palo verde trees are known for their vivid green trunks and branches and bright yellow blossoms.

# fauna

---

## GAMBEL'S QUAIL

Gregarious birds, quail spend most of their time scurrying along the ground in search of food.

## CACTUS WREN

Feisty cactus wrens are strikingly spotted and typically nest in saguaros, cholla and palo verde trees.

## ROADRUNNER

True to their name, road-runners can reach ground speeds of up to 15 miles per hour.

## JACKRABBIT

Huge ears, long hind legs and large feet are the hallmarks of the desert jackrabbit.

## JAVELINA

Resembling small boars, javelina can weigh up to 55 pounds and live in small herds of two to 20 animals.

## COYOTE

Typically heard at sunrise and sunset, the coyote's howl is the signature sound of the Southwest.

## RATTLESNAKE

These venomous snakes are known for their diamond pattern and the warning buzz of their tail rattle.

# TOP 5 WAYS TO EXPERIENCE THE SONORAN DESERT

*Outdoor activities and adventures are a great way to experience Scottsdale's Sonoran Desert, but they're far from the only way! Desert influences can be found in virtually every aspect of life in Scottsdale, from recreation and architecture to the use of indigenous ingredients in our cuisine, spa treatments and skin care products. Here are five great ways to incorporate the Sonoran Desert into your Scottsdale program.*

## ONE OUTDOOR ADVENTURES

Scottsdale's Sonoran Desert is a natural playground for outdoor enthusiasts. Options range from off-road Jeep and Hummer tours to hot air ballooning, hiking, horseback riding, water sports and more. Best of all, there's no experience required! Just contact one of our professional outfitters and they'll help you plan the Sonoran Desert adventure of a lifetime!

TWO  
**DESERT ARCHITECTURE**

Legendary architect Frank Lloyd Wright was so enamored with the Sonoran Desert that he built his Scottsdale masterpiece, **Taliesin West**, using rocks from the surrounding mountain foothills and sand from desert washes. Public tours showcase how Wright seamlessly blended indoor and outdoor spaces to adapt to the desert’s unique climate.

THREE  
**TARGET-STYLE GOLF**

The Sonoran Desert’s rolling foothills are the perfect backdrop for target-style golf. These thrilling course layouts use natural features as hazards to create forced carries over swaths of native vegetation and boulder formations to reach the island-style greens. Scottsdale is home to several bucket-list desert golf courses, including **Troon North** (*pictured*), **Grayhawk**, **Boulders Club** and **We-Ko-Pa**.

FOUR  
**SONORAN-INSPIRED SPA TREATMENTS**

Arrange for individual treatments or a “tasting” event at one of Scottsdale’s renowned spas, many of which incorporate indigenous Sonoran Desert ingredients (think cactus extracts, jojoba and chaparral oils, and rich desert clay) in their treatments. Four to try are **The Spa at the Boulders**, **Well & Being Spa at the Fairmont Scottsdale Princess**, **The Spa at Talking Stick Resort** (*pictured*) and the **Spa at Camelback Inn**.

## FIVE LOCAL FLAVORS

Scottsdale's chefs love to take advantage of the region's five robust growing seasons, year-round farmers' markets and indigenous Sonoran Desert ingredients. Don't miss these locally inspired treats:

- At **J&G Steakhouse** at The Phoenician, the Chopped Salad features McClendon's Select Arizona pecans tossed with frisée, arugula, avocado and blue cheese.
- James Beard Award-winning chef Charleen Badman of Old Town's *FnB (pictured)* incorporates grains and vegetables used for centuries by the area's Native American tribes in her dishes.
- **Gertrude's** at Desert Botanical Garden also is no stranger to indigenous ancient grains, tepary beans and l'ittoi onions. Their seasonally inspired cooking combines classic cooking techniques with flavors from Native America and around the globe.
- In addition to using locally sourced ingredients in their gourmet cuisine, **Cloth & Flame** takes you out into the heart of the pristine Sonoran Desert for open-air, white-tablecloth dinners.

## DESERT-INSPIRED GIFT IDEAS

### ARIZONA WINE

Visit the tasting rooms along the Old Town **Scottsdale Wine Trail** for bottles of their award-winning Arizona varietals.

### SKIN SAVERS

**Arizona Sun** skincare products, including their famous moisturizer and sunscreen, feature desert ingredients like sage, wild roses, cactus extracts and jojoba.

### PRICKLY PEAR TREATS

Head to **Sphinx Date Co.** for goodies like barbecue sauce, salsa, syrup and jelly made from prickly pear cactus fruit.

### LOCAL HONEY

In addition to their award-winning small-batch confections, **Zak's Chocolate** carries AZ Queen Bee Honey by the jar.

### COSANTI WINDBELLS

Paolo Soleri's bronze and ceramic windbells were inspired by the late architect's love of the desert and sustainable architecture.

### OLIVE OILS & VINEGARS

Customize a gift box from **Queen Creek Olive Mill**, Arizona's only working olive grove and mill. Options include flavored oils and vinegars, stuffed olives, local mustards and more.

# GO EXPLORING

There are plenty of ways to explore Scottsdale and Arizona, including serene flights in a hot air balloon and railroad excursions through breathtaking backcountry landscape.

## **VERDE CANYON RAILROAD**

Travel far beyond the boundaries of everyday life aboard Verde Canyon Railroad. This classic train delivers passengers deep into a scenic Arizona canyon, offering unsurpassed comfort amid a sculpted and colorful landscape. Savor first-class service, rejuvenation and wonder. The bewitching Sedona scenery forms an unforgettable backdrop for the awe-inspiring journey.

# SIX FUN WAYS TO get around

*In the literal sense, transportation can be simply a means to get from one point to the next. But it's also a great way to explore some of the most exciting things Scottsdale has to offer. Here are six traditional and non-traditional ways to get around!*

## **Number One RIDE A GOLF CART**

**JoyRidesAZ Scottsdale Tours** provides open-air transportation in Old Town and beyond, as well as a variety of guided experiences ranging from wine-tasting and local history tours to an introduction to Old Town's best Instagram walls. And if you like a good mystery, **Puzzle Rides** combines the fun of a treasure hunt with the challenge of an escape room on their 75-minute adventures through Old Town.

## **Number Two MASTER THE "LEAN"**

For the most excitement you can have standing up, try a Segway tour! It might take a few minutes to master the lean – the movement that makes these two-wheeled fun machines go – but anyone can do it under the guidance of **Segway of Scottsdale's** experts. They'll have you rolling through Old Town in no time.

## **Number Three RENT AN E-BIKE**

As in electric bike! **Pedego Scottsdale**, located in the heart of Old Town, rents battery-powered bikes that let you do as much – or as little – pedaling as you'd like while you explore the local galleries, restaurants, shops and museums. Over at **Phat Rides USA**, you can rent electric bikes as well as Phat electric scooters.

## **Number Six LET THE EXPERTS DRIVE**

Scottsdale's ground transportation providers offer luxury sedan and limousine transportation throughout the city. In addition to airport pick-up and point-to-point transportation, they're also the perfect choice for pub crawls, wine tours and nights on the town. *See listings on pg. 143* 🍷

## **Number Four PEDAL & PARTY**

Looking for a fun way to get around with a handful of friends and family? Take a pub crawl on the **Arizona Party Bike!** This 15-passenger merrymaking machine cruises around Old Town on pedal power (yours), making stops at popular local bars and pubs.

## **Number Five TAKE TO THE SKIES**

Tours by helicopter and fixed-wing aircraft are a great way to broaden your Arizona horizons and still be back in Scottsdale in time for dinner! Check out the combo tour options that combine flights, Jeep tours – even river rafting on the mighty Colorado River. Contact Scottsdale's professional air tour operators and get ready to fly! *See listings on pgs. 139-140*

### SOUTHWEST MUSHROOMS

Michael “Mushroom Mike” Crowe became fascinated by the science and art of mushrooms at the age of 15. Today, he’s turned his love of fungi into Southwest Mushrooms, an urban farm that produces top-quality mushrooms for both culinary and medicinal purposes. If you’d like to add flavor, texture and nutrients to your recipes, visit Southwest Mushrooms’ online store (he ships anywhere in the country!), where you’ll find fresh and dried mushroom species, including Shiitake, Pink Oyster, Lion’s Mane and more. Locals, you can find the fruits of Crowe’s labor at AJ’s Purveyor of Fine Foods. And be sure to check out Southwest Mushrooms’ website, where you’ll find a fascinating video of Crowe in action. You’ll have a whole new appreciation for mushrooms!

### CUTINO SAUCE CO.

For Jacob Cutino, the rise to hot sauce fame began with his stepfather’s secret recipe for a killer habanero sauce. Through persistence and experimentation, Cutino created his own version of the secret sauce, which he sold in small batches at local farmers markets and shops under the name Homeboy’s Hot Sauce. In 2017, Cutino linked up with local pizza guru Chris Bianco and the resulting rebrand gave birth to Cutino Sauce Co., a collection of tongue-tingling sauces that range from the sweet-heat of Jalapeño and smokiness of Chipotle all the way up the Kelvin scale to the fiery, limited-quantity Ghost Sauce. Find Cutino Sauce Co. creations in popular Scottsdale shops and restaurants, including Sphinx Date Co. Palm & Pantry, Citizen Public House, LON’s, Chula Seafood and the Desert Botanical Garden, as well as all Arizona Whole Foods locations.
