# SCOTTSDALE: A PLACE FOR ALL

Cotton-candy sunsets. Starry desert skies. Towering saguaro cacti. At Experience Scottsdale, we want everyone to witness the wonders of Scottsdale's Sonoran Desert and experience our unique blend of luxury, relaxation and adventure.

That's why, in recent years, both Experience Scottsdale and the City of Scottsdale have taken intentional steps to ensure everyone feels welcome here.

Scottsdale is, after all, a place for all. The city is home to people of all races, sexual orientations, gender identities, religious beliefs, abilities, ages, backgrounds and experiences. They include our employees, colleagues, neighbors, family members and friends.

Experience Scottsdale is proud to celebrate the diversity of our community members and businesses. Here, you'll support restaurants, bars, shops, spas and art galleries owned and operated by people who identify as women, people of color and LGBTQ+. You'll tour attractions and institutions that honor the region's Native American and Mexican ties, like Western Spirit: Scottsdale's Museum of the West, the Old Adobe Mission and the Heard Museum. You'll attend annual events like the Arizona Indian Festival, the Scottsdale Juneteenth Celebration, Scottsdale Día de los Muertos and the Scottsdale Pride Crawl.

It's important that all people not only feel welcome here, but also feel safe.

Scottsdale's anti-discrimination ordinance prohibits discrimination in employment, housing, places of public accommodation, and city services, programs and activities.

At Experience Scottsdale, our team has undergone diversity, equity and inclusion training and expanded our partnerships to include One Community, the Arizona Hispanic Chamber of Commerce, the National Blacks in Travel & Tourism Collaborative and IGLTA.

Scottsdale is a place for all, and we at Experience Scottsdale hope you'll soon discover all that Scottsdale has to offer.

SCOTTSDALE'S SONORAN DESERT

# THE SONORAN DESERT

*We're thrilled that you're considering Scottsdale for your next meeting, incentive or travel program because we have something exceptional in store for you and your clients. Scottsdale offers all the services and amenities you'd expect for your customers: top-tier accommodations, state-of-the-art meeting facilities and hassle-free transportation in the air and on the ground. It also offers something delightfully unexpected: the stirring beauty of the Sonoran Desert.*

*From our saguaro-studded landscape and year-round sunshine to the bright smiles of our people, Scottsdale's Sonoran Desert creates a welcoming environment that will leave your clients inspired!*

# 8 GREAT WAYS TO Get Outdoors

*A visit to Scottsdale simply isn't complete without getting outdoors to explore the Sonoran Desert, the lushest, most biologically diverse desert in North America. From thrilling recreational adventures to desert-inspired urban experiences, here are eight great ways to incorporate Scottsdale's unique natural setting into your next program.*

## OFF-ROADING

Get your adrenaline pumping and see the desert's pristine expanses on an off-road adventure. Take a guided Jeep or Hummer tour to learn about the Sonoran Desert's delicate ecosystem, or traverse old stagecoach trails and navigate river crossings as you take the wheel in your own Tomcar.

## HOT-AIR BALLOONING

In a landscape as panoramic as the Sonoran Desert, there's no better way to soak it all in than in a hot-air balloon. Drift along with the breeze as your pilot guides you high into the air for expansive scenic views or dips close to the ground for a glimpse of wildlife.

## SPLASHING

You may be surprised that an easy 60-minute drive from Old Town Scottsdale gives you access to eight lakes and rivers. Take in the desert scenery from the water as you keep your eyes open for javelina, eagles and majestic wild horses.

## HORSEBACK RIDING

Get in touch with your inner cowboy or cowgirl on a guided horseback ride. Beginners and experienced riders will enjoy stunning Sonoran Desert views as you ride through rolling mountain foothills and lush desert washes.

## GARDEN-HOPPING

The Desert Botanical Garden is home to five thematic trails and 50,000 desert plants. Get acquainted with the fascinating Sonoran Desert plant life, from towering cacti and alluring succulents to brilliant wildflowers and lacy shade trees.

## DINING

For a once-in-a-lifetime dining experience, Cloth + Flame offers immersive, al fresco dinners in some of the region's most unique locations. Enjoy a cocktail hour, passed hors d'oeuvres and a multi-course farm-to-table dinner among the saguaros under a starry desert sky.

## APPRECIATING ARCHITECTURE

For the most unique experience yet, explore a UNESCO World Heritage site and learn about Frank Lloyd Wright's philosophies on blending nature and architecture. Taliesin West's Shelters in the Desert guided tour takes you along verdant desert pathways to view dwellings built by apprentices of Wright's architectural school.

## HIKING

Take to the trails to fully immerse yourself in the beauty of the Sonoran Desert. With 225 miles of shared-use trails, Scottsdale's McDowell Sonoran Preserve offers the ideal backdrop to get "lost" among the saguaros and wildflowers while you explore trails for all abilities.

# Awesome Arizona

BY ROGER NAYLOR

IT JUST FELT LIKE SOMEONE NEEDED TO COME OUT AND SAY IT.  
ARIZONA IS AWESOME!

CHAPEL OF THE HOLY CROSS, SEDONA

*Arizona is rugged and gorgeous and historic and weird and funny and utterly magnificent. It's full of surprises, not what most people expect at all. That's why I wrote my book, Awesome Arizona: 200 Amazing Facts about the Grand Canyon State.*

*I wanted to capture the essence of Arizona, from its wild and woolly past to its breathtaking scenery to its incredible diversity of cultures and terrain. The book is part love letter, part encyclopedia.*

*So, if you're looking for memorable things to do in Arizona, with some incredible day trips from Scottsdale, I've got you covered. Here are five random facts from the book that also translate to top Arizona attractions.*

### FACT

ARIZONA IS THE ONLY STATE THAT CONTAINS ONE OF THE SEVEN NATURAL WONDERS OF THE WORLD.

At the Grand Canyon, nothing prepares you for the size or scale or intensity of colors. Terraces of temples and castles spill endlessly downward into ancient depths. It feels like you're peeking at God's diary. Hike the Rim Trail, a mostly paved path that stretches for 13 miles along the edge of the abyss, so the views are relentless. Return via one of the free shuttle buses that are constantly in motion.

Browse among the historic buildings of Grand Canyon Village. Dine at historic El Tovar Hotel. The Desert View Watchtower, a 70-foot stone tower designed by architect Mary Colter, stands guard at the eastern edge of the national park. [nps.gov/grca](https://www.nps.gov/grca)

### FACT

THE ONLY MCDONALD'S IN THE WORLD WITH TURQUOISE ARCHES CAN BE FOUND IN SEDONA.

Sedona has its own style in every way, from tasteful fast-food establishments to a stunning skyline of red-rock mesas, buttes, and columns. Jeep tours are a signature Sedona experience amid such impossible beauty. Each company offers signature rides ranging from gentle excursions to boulder-climbing thrillfests.

Tlaquepaque Arts & Crafts Village houses a collection of galleries and restaurants in a setting reminiscent of a Mexican hamlet, with cobblestone walkways and shady courtyards. The Chapel of the Holy Cross, an architectural wonder rising from the red rocks, offers a place for sweeping views and quiet contemplation. [visitsedona.com](https://www.visitsedona.com)

## FACT

### THE WORLD'S LARGEST PONDEROSA PINE FOREST SPREADS ACROSS NORTHERN ARIZONA.

In the heart of this forested expanse, Flagstaff nestles at the base of Arizona's tallest mountains. Skiers carve up Snowbowl's slopes in winter. Then in summer and fall, the scenic Arizona Gondola glides up to the mountaintop, offering incredible panoramas.

Flagstaff features a bustling downtown filled with great restaurants, bars and breweries sprawled along Historic Route 66. Take a tour of Lowell Observatory, where Pluto was discovered. Or step back in time with a visit to Walnut Canyon National Monument, where ancient Sinagua cliff dwellings are secreted away in a steep-walled gorge. [flagstaffarizona.org](http://flagstaffarizona.org)

## FACT

### THE WORLD'S OLDEST RODEO STILL BUCKS UP A STORM IN PRESCOTT.

Since 1888, the rodeo has been Prescott's premier annual event—a Super Bowl for the bowlegged. Arizona's first territorial capital, Prescott is a Western town with a comfortable Eastern feel. A stately courthouse amid a tree-shaded plaza anchors one of the state's loveliest downtowns. Take a walking tour and belly up to the bar at The Palace, where Wyatt Earp and Doc Holliday once drank.

Hike or kayak at picturesque Watson Lake, enveloped by the jumbled boulders of Granite Dells. Or rent an electric bike and cruise the Peavine and Iron King trails for intoxicating views of stone, water and sky. [experienceprescott.com](http://experienceprescott.com)

## FACT

### THE WORLD'S LARGEST KALEIDOSCOPE STORE CAN BE FOUND IN JEROME.

Once a rich mining camp, Jerome survived hard times to emerge as a thriving artists' haven. It clings to a mountain slope a mile in the air. Nellie Bly Kaleidoscopes is the world's largest brick-and-mortar outlet for those spinners of colors and shapes, and that tells you plenty about the quirky vibe permeating Jerome.

Walk the narrow, hilly streets lined with historic buildings. Throw down on the dance floor of the iconic Spirit Room, then grab a seat on the deck of the Haunted Hamburger, where the juicy burgers come with a side of panoramas.

# Get Around Town!

*Whether you're looking for an elevated option for getting your customers from one place to the next or a fun way for them to see the sights around town, we've got you covered with six traditional and non-traditional ways to get around Scottsdale.*

## RIDE. SMILE. REPEAT.

That's the slogan for Rydables, battery-powered carts designed like a variety of colorful characters from elephants and cows to piñatas and smiling saguaros. Let **Kactus Jock** take you on a fun-filled adventure to learn about the history of Old Town Scottsdale and explore restaurants, shops and public art along the way.

## RENT AN E-BIKE

As in, electric bike! **Pedego Scottsdale**, located in the heart of Old Town's Fifth Avenue district, rents battery-powered bikes that let you do as much – or as little – pedaling as you'd like while you explore the local galleries, restaurants, shops and museums. Over at **Rides N Motion**, you can rent electric bikes, Evolve all-terrain skateboards and two-wheeled Phat electric scooters.

## TOUR ON A GOLF CART

**JoyRidesAZ Scottsdale Tours** provides golf cart transportation in Old Town and beyond, as well as a variety of guided experiences ranging from wine tasting and culinary adventures to gelato tours and an introduction to Old Town's best Instagram walls. And if you like a good mystery, **Puzzle Rides** combines the fun of a treasure hunt with the challenge of an escape room on their 75-minute escapades through Old Town.

## LET THE PROS DRIVE

Scottsdale's ground transportation providers offer luxury sedan and limousine transportation throughout the city. In addition to airport pick-up and point-to-point transportation, they're also the perfect choice for pub crawls, wine tours and nights on the town. You can even try on of **Waymo's** autonomous vehicles. See *listings on pg. 163*

## PEDAL & PARTY

The **Arizona Party Bike** is a 15-passenger merrymaking machine that cruises around Old Town on pedal power (yours), making stops at three popular local bars and pubs. The bike comes complete with a rockin' sound system, LED party lights and a motor-assist – just in case you're having too much fun to pedal.

## "LEAN" INTO FUN

For the most excitement you can have standing up, try a Segway tour! It might take a few minutes to master the lean – the movement that makes these two-wheeled fun machines go – but anyone can do it under the guidance of **Scottsdale Segway Tours'** and **Segway of Scottsdale's** expert guides.

### SOUTHWEST MUSHROOMS

Michael “Mushroom Mike” Crowe became fascinated by the science and art of mushrooms at the age of 15. Today, he’s turned his love of fungi into Southwest Mushrooms, an urban farm that produces top-quality mushrooms for both culinary and medicinal purposes. If you’d like to add flavor, texture and nutrients to your recipes, visit Southwest Mushrooms’ online store (he ships anywhere in the country!), where you’ll find fresh and dried mushroom species including shiitake, pink oyster, lion’s mane and more. Locals, you can find the fruits of Crowe’s labor at AJ’s Purveyor of Fine Foods. And be sure to check out Southwest Mushrooms’ website, where you’ll find a fascinating video of Crowe in action. You’ll have a whole new appreciation for mushrooms!

### CUTINO SAUCE CO.

For Jacob Cutino, the rise to hot-sauce fame began with his stepfather’s secret recipe for a killer habanero sauce. Through persistence and experimentation, Cutino created his own version of the secret sauce, which he sold in small batches at local farmers markets and shops under the name Homeboy’s Hot Sauce. In 2017, Cutino linked up with local pizza guru Chris Bianco and the resulting rebrand gave birth to Cutino Sauce Co., a collection of tongue-tingling sauces that range from the sweet heat of jalapeño and smokiness of chipotle all the way up the Kelvin scale to the fiery, limited-quantity Ghost Sauce. Find Cutino Sauce Co. creations in popular Scottsdale shops and restaurants, including Sphinx Date Co. Palm & Pantry, Citizen Public House, Chula Seafood, Andaz Scottsdale and the Desert Botanical Garden, as well as all Arizona Whole Foods locations.

Founder Larry “Lo-Lo” White grew up working beside his grandmother at the Valley’s famous Mrs. White’s Golden Rule Café. Over the years, White perfected his own recipes, including his crispy fried chicken and fluffy waffles, and eventually opened his namesake restaurant. Today, Lo-Lo’s Chicken & Waffles has four Valley locations, including one in Scottsdale, where you can dig into specialties like Fried Green Tomatoes, the Phat Azz Samich (choice of fried chicken or catfish), Yo Mamma’s Biscuits & Gravy and, of course, White’s famous fried chicken and waffles.

A man and a woman are riding bicycles along a paved path in Old Town Scottsdale. The man, in the foreground, is wearing a brown hat, a blue denim jacket over a light blue t-shirt, and maroon pants. He is riding a blue bicycle and has a joyful expression. Behind him, a woman with blonde hair is also smiling while riding a light-colored bicycle. To their left is a large, white, rearing horse statue. In the foreground, a circular stone fountain with multiple water jets is visible. The background features a building with a tiled roof and arched windows, and a large tree. The scene is bathed in warm, golden light, suggesting late afternoon. The bottom of the image is filled with a dense bed of bright red flowers.
