

SCOTTSDALE: THE VIBRANT ART CAPITOL OF ARIZONA

Maybe it's the Southwestern light or the creosote-scented air after a desert rain. Maybe it's the technicolor sunrises and sunsets, or the strength and beauty of the ubiquitous Saguaro cactus. Perhaps it's the independent, free spirit of this Southwestern city. For many reasons, Scottsdale has always inspired creative expression among artists working in all mediums, from ancient Puebloan potters to today's cutting-edge installation artists.

SCOTTSDALE PUBLIC ART
